Here are PJ's answers to 5 Questions:

### 1. Who is your toughest competitor on the track?

My toughest competitor on the track is definitely myself. I am a perfectionist and want to win every time I race and that causes me to push too hard at times.

### 2. Outside of motorsports, what is your favorite sport to watch?

Outside of motorsports I enjoy watching a lot of sports such as hockey, baseball, basketball, skateboarding, and skiing.

### 3. In regards to racing, what is the biggest lesson you learned in 2014?

The biggest lesson I learned in 2014 was to keep my emotions in check. I was punted out of second place at Road America and I would have "lost it" in the past, but I kept my cool and finished the race after being pulled out of the gravel trap gathering valuable championship points.

### 4. What is the coolest thing a fan has ever done for you?

The coolest thing a race fan has ever done for me was turn a photo of me from Houston in 2013 into an iPhone/Galaxy case.

### 5. What is your favorite race track and why?

My favorite race track has to be Canadian Tire Motorsports Park (Mosport). First and foremost is my home track, I have had many amazing races and great success there as I was coming up through the ranks and made a lot of close friends along the way.
